- c) Total amount of RTA funding allowed for the Project plus a breakdown of any other regional, local, federal or state funding available.
- d) Designation of Project phases, if applicable, and any additional related agreements.
- e) Estimated construction start date and duration of construction.
- f) Projected timeline.
- g) Identification of the Lead Agency's duly authorized representative for signing and submitting payment requests.

4. Responsibilities of the Lead Agency.

- a. The Lead Agency shall be responsible for the design, construction and/or installation of the Project in accordance with this Agreement and all applicable public roadway, traffic signal, and street lighting design and construction standards. Design Standards are federal, state, county or municipal standards for engineering, traffic, safety or public works facilities design. Examples of Design Standards include the American Association of State Highway and Transportation Officials and Federal Highway Administration standards for highway engineering and construction, the Pima County/City of Tucson Standard Specifications for Public Improvements, the Pima County Roadway Design Manual, the Pima County Department of Transportation /City of Tucson Department of Transportation Pavement Marking Design Manual, and Pima County and municipal design guidelines for roadway lane widths and level of drainage protection.
- b. If consultants or contractors are employed to perform any portion of the Project, the Lead Agency shall be responsible for the contracts for design and construction of the Project and shall select the consultants and contractors to be used on the Project. The Lead Agency shall immediately provide to the Authority copies of any and all contract documents and related materials upon request by the Authority. The Lead Agency shall retain the usual rights of the owner of a public contract including the authority to approve changes and make payments. However, any changes to the Project which would result in the final project cost deviating, by ten or more percent, from the Authority's budget amount for the Project, must be approved by the Authority in advance of those changes being made, regardless of the fact that the Authority will not be paying for them.

- c. The Lead Agency shall be responsible for all traffic management and public safety, including public notification, during construction of the Project.
- d. The Lead Agency shall operate and maintain the improvements during and after completion of construction.
- e. The final cost of the Project shall be that amount necessary to complete the Project including any unanticipated work incorporated into the Project by change orders and amendments executed by the Lead Agency. The Lead Agency shall be responsible for all Project costs in excess of the RTA funds contributed to the Project.
- f. The Lead Agency shall exercise its power of eminent domain, if necessary, to acquire property needed for the Project.
- g. Inasmuch as the RTA's role is limited to Project funding, the Lead Agency agrees, to the fullest extent permitted by Arizona law, to indemnify, defend, and hold harmless the RTA and its Board and officers, from, for, and against, any and all claims, demands, damages, liabilities or penalties, brought by or on behalf of any persons or entities, arising out of the Lead Agency's activities in performance of its obligations under this Agreement or use of RTA's resources, as described herein, regardless of how such claims are worded or styled, and regardless of the specific cause of action or type of claim asserted. This subsection shall survive termination of this Agreement.
- h. The Lead Agency shall require its contractors performing any portion of the Project to name the Authority as additional insured and additional indemnitee with respect to insurance policies for general liability, automobile liability and defects in design in all of the Lead Agency's contracts for the Project. The Lead Agency shall also require its contractors to name the Authority as an additional beneficiary in any performance and payment related assurances posted for the Project.
- i. Monthly, the Lead Agency shall be responsible for preparing and submitting to the Authority reimbursement requests (invoices). Said requests shall be signed by a duly authorized representative of the Lead Agency and shall include sufficient background information documenting payments made to contractors, vendors or any other eligible costs identified in this Agreement or the RTA's Administrative Code. The Lead Agency must retain and certify all vendor receipts, invoices and any related Project records as needed and ensure that they are available for review for a minimum of five (5) years after final payment is made unless otherwise specified herein.
- j. The Lead Agency shall be responsible for submitting a status report describing its progress and adherence to the Project scope, schedule and budget. Progress reports shall be submitted to the RTA monthly.
- k. The Lead Agency shall adhere to the RTA Administrative Code, including the requirements for a Project Charter (where applicable), a Project Closeout Meeting (Roadway Element Projects) and reimbursement limits.

- l. Prior to any construction bid solicitation, the Lead Agency shall provide a complete set of Project documents to the RTA, including all plans and specifications, the engineer's cost estimate, and a listing of all funding sources. The Project may not be advertised prior to written confirmation from the RTA that the Project is compliant with RTA requirements, and that funding is available for the Project.
- m. All right of way remnants from properties acquired with Project funds shall be disposed of in accordance with RTA Policy. All proceeds from the disposal shall be returned to the RTA for expenditure on RTA eligible expenses. In the event the disposal of the property occurs after the Project is completed, the funds shall be returned to the RTA for reallocation to other projects. This subsection shall survive termination of this Agreement.

5. Responsibilities of Authority.

- a. Upon receipt of reimbursement requests, the Authority shall convey to the Lead Agency RTA funds in the amount specified in the Exhibits, on a reimbursement basis, unless otherwise specified herein. All payments and reimbursements shall follow the policies outlined in the RTA's Administrative Code.
- b. Reimbursements will generally be based on the Project schedules established by the Lead Agency and contained in the Exhibits.
- c. The RTA staff will review all payment requests to confirm that the request is for reimbursement of costs incurred by the Lead Agency for the Project. If the Authority determines that additional information is needed, the Lead Agency will be notified of the request for additional information within five business days of the receipt of the invoice by RTA.
- d. Upon approval of the request by RTA, the invoice will be processed for payment within thirty days of the invoice being accepted as complete.
- e. RTA shall provide all necessary cooperation and assistance to its fiscal agent to process all payment requests from the Lead Agency.

6. Termination. Either party may terminate this Agreement for material breach of the Agreement by the other party. Prior to any termination under this paragraph, the party allegedly in default shall be given written notice by the other party of the nature of the alleged default. The party said to be in default shall have forty-five days to cure the default. If the default is not cured within that time, the other party may terminate this Agreement. Any such termination shall not relieve either party from liabilities or costs already incurred under this Agreement.

7. Non-assignment. Neither party to this Agreement shall assign its rights under this Agreement to any other party without written permission from the other party to this Agreement.

8. Construction of Agreement.

- a. Entire agreement. This instrument constitutes the entire agreement between the parties pertaining to the subject matter hereof, and all prior or contemporaneous agreements

and understandings, oral or written, are hereby superseded and merged herein. Any exhibits and the Recitals to this Agreement are incorporated herein by this reference.

- b. Amendment. This Agreement may be modified, amended, altered or changed only by written agreement signed by both parties.
- c. Construction and interpretation. All provisions of this Agreement shall be construed to be consistent with the intention of the parties as expressed in the Recitals hereof.
- d. Captions and headings. The headings used in this Agreement are for convenience only and are not intended to affect the meaning of any provision of this Agreement.
- e. Severability. In the event that any provision of this Agreement or the application thereof is declared invalid or void by statute or judicial decision, such action shall have no effect on other provisions and their application, which can be given effect without the invalid or void provision or application, and to this extent the provisions of the Agreement are severable. In the event that any provision of this Agreement is declared invalid or void, the parties agree to meet promptly upon request of the other party in an attempt to reach an agreement on a substitute provision.
- f. This Agreement is subject to cancellation pursuant to the provisions of A.R.S. § 38-511.

9. Ownership of Improvements. Ownership and title to all materials, equipment and appurtenances installed pursuant to this Agreement shall automatically vest in the Lead Agency upon completion of the Project.

10. Legal Jurisdiction. Nothing in this Agreement shall be construed as either limiting or extending the legal jurisdiction of the Lead Agency or the Authority.

11. No Joint Venture. It is not intended by this Agreement to, and nothing contained in this Agreement shall be construed to, create any partnership, joint venture or employment relationship between the parties or create any employer-employee relationship between the Lead Agency and any Authority employees, or between Authority and any Lead Agency employees. Neither party shall be liable for any debts, accounts, obligations nor other liabilities whatsoever of the other, including (without limitation) the other party's obligation to withhold Social Security and income taxes for itself or any of its employees.

12. No Third Party Beneficiaries. Nothing in the provisions of this Agreement is intended to create duties or obligations to or rights in third parties not parties to this Agreement or affect the legal liability of either party to the Agreement by imposing any standard of care different from the standard of care imposed by law.

13. Compliance with Laws. The parties shall comply with all applicable federal, state and local laws, rules, regulations, standards and executive orders, without limitation to those designated within this Agreement.

- a. Anti-Discrimination. Neither party shall discriminate against any employee or client of either party or any other individual in any way because of that person's age, race, creed, color, religion, sex, sexual orientation, familial status, political affiliation, disability or

national origin in the course of carrying out the duties pursuant to this IGA. Both parties shall comply with applicable provisions of Executive Order 75-5, as amended by Executive Order 2009-09 of the Governor of Arizona, which are incorporated into this IGA by reference as if set forth in full herein, including the provisions of A.R.S. § 41-1463.

All employees are hereby further notified that they may be required to work under the jurisdiction or control or within the jurisdictional boundaries of another public agency pursuant to an intergovernmental agreement or contract, and under such circumstances they are deemed by the laws of Arizona to be employees of both public agencies for the purposes of workers' compensation.

14. Waiver. Waiver by either party of any breach of any term, covenant or condition herein contained shall not be deemed a waiver of any other term, covenant or condition, or any subsequent breach of the same or any other term, covenant, or condition herein contained.

15. Force Majeure. A party shall not be in default under this Agreement if it does not fulfill any of its obligations under this Agreement because it is prevented or delayed in doing so by reason of uncontrollable forces. The term "uncontrollable forces" shall mean, for the purpose of this Agreement, any cause beyond the control of the party affected, including but not limited to failure of facilities, breakage or accident to machinery or transmission facilities, weather conditions, flood, earthquake, lightning, fire, epidemic, war, riot, civil disturbance, sabotage, strike, lockout, labor dispute, boycott, material or energy shortage, casualty loss, acts of God, or action or non-action by governmental bodies in approving or failing to act upon applications for approvals or permits which are not due to the negligence or willful action of the parties, order of any government officer or court (excluding orders promulgated by the parties themselves), and declared local, state or national emergency, which, by exercise of due diligence and foresight, such party could not reasonably have been expected to avoid. Either party rendered unable to fulfill any obligations by reason of uncontrollable forces shall exercise due diligence to remove such inability with all reasonable dispatch.
