## I-10 Arizona Alternative Fuels Corridor Deployment Plan (AFCDP) Arizona Interstate / Infrastructure Collaborative (AIIC) Advisory Group Meeting #3 of 4 (Webinar)

10 a.m. to 11 a.m. (MST), Friday, August 14, 2020

**Special Notice:** Please report in-kind efforts to [DFitzpatrick@PAGregion.com](mailto:DFitzpatrick@PAGregion.com) to include the time you have expended to prepare for and attend this meeting, as well as time spent traveling and vehicle miles driven. Please indicate if your time was paid with federal dollars and if you would like to receive PAG/RTA emails. Regional planning efforts are enhanced by recording time donated by attendees, volunteers and participants. PAG collects data on the time dedicated to meetings and activities to apply to use as matching funds for grants and federal dollars. Time spent working on PAG/RTA initiatives, programs and special projects also may be eligible for consideration for matching funds.
